CME Online ONE DAY Virtual Event

2023 Podiatry Practice Summit Virtual Seminar

March 18, 2023

8 a.m. - 5 p.m. Eastern

$209

(This seminar will be available on-demand after the live seminar for registrants. Therefore, no refunds will be available.)

Scientific Chair – Michael Warshaw, DPM

The 2023 Annual Podiatry Practice Summit by CME Online will cover a variety of topics that will enhance your ability to provide the best care possible and to have an efficient, safe, smooth-running practice.

Intended Audience:
Podiatrists, Podiatry Residents, Podiatry Students

Learning Objectives

- Understand the proper use of modifiers 24, 25, 59 and 79
- Understand the proper dispensing and documentation of durable medical equipment
- Understand remote patient monitoring
- Understand what to expect when an employee takes action against an employer
- Understand the strategies for expanding services to diabetic patients

Attendance Verification Policy

There will be two attendance verification sign-ins during the seminar. These will be during the breaks listed on the agenda. You must sign in during both attendance verification sign-ins AND be logged into the seminar for the entire length of the seminar in order to receive the maximum number of credits.

Michael G. Warshaw, DPM, CSFAC, CPC. CPODCS, COCS. CMSCCS| Dr. Warshaw is a practicing podiatrist and a Certified Professional Coder with over 25 years of successful coding, management, and training experience for podiatric practices. He is a national lecturer concerning coding issues. Dr. Warshaw has had the additional advantage of participating in all facets of the Medicare Appeals Process, including Redeterminations, Reconsiderations, and Administrative law Judge Hearings, as well as the appeals processes of most commercial insurance companies and state Medicaid programs. Dr. Warshaw is the author of The Podiatry Coding Manual, a comprehensive coding manual specific for podiatry that is updated annually.

Michael Brody, DPM | Dr. Brody is in private practice in New York. He has served on the Health Information Technology Standards Panel (HITSP), the Standards and Interoperability Framework (S&I), as a member of the Ambulatory Care Committee at the Certification Commission on Health Information Technology (CCHIT), as a member of the Physicians Committee at the Healthcare Information and Management Systems Society (HIMSS) and numerous other organizations. He is currently a co-Chair of the EHR workgroup at Health Level Seven International (HL7). Dr. Brody has held staff appointments at several Colleges of Podiatry and is a nationally recognized lecturer on compliance.

Alan Mark Jacobs, DPM, FACFAS | Dr. Jacobs is in private practice in St. Louis, Missouri. He is board certified in reconstructive surgery of the foot and ankle by the American Board of Podiatric Surgery and is a Fellow of the American College of Foot and Ankle Surgeons. For 25 years, Dr. Jacobs served as a Director of Podiatric Surgical Residency Training; and has also served as a contributing editor to the Journal of Foot Surgery, Podiatry Today, Foot and Ankle Quarterly, and Clinics in Podiatric Medicine and Surgery. Dr. Jacobs is widely published and a national speaker on podiatric medicine and surgery.

Matthew S. Feldman, JD | Matthew S. Feldman is a member of Feldman Kiefer, LLP's management committee. He represents business entities, including health care professionals and institutions, in legal matters including the defense of post-payment audits initiated by private and governmental health plans; corporate formations and governance; contract negotiation and preparation regulatory compliance matters including HIPAA. Mr. Feldman also concentrates his practice in professional liability matters before the Department of Health's Office of Professional Medical Conduct.

Robert Katz, DPM | Robert Katz, DPM, joined Cortez Foot & Ankle Specialists in 1991, and he sees patients at their main office in Bradenton and in Sarasota, Florida. Dr. Katz graduated from the University of Florida and the New York College of Podiatric Medicine. During his surgical residency at Maryland General and Bon Secours Hospital in Baltimore, Dr. Katz rotated through affiliate facilities of Johns Hopkins University. He later received his Master of Business Administration from the University of South Florida in May 2001. Dr. Katz has remained highly active in the medical community and is a past president of the Florida Podiatric Medical Association.
